Dear Club Managers and Teachers,

Introducing ACBL's Guest Membership option – a **FREE** way for players and students to try the benefits of ACBL membership.

What can players do with a Guest Membership?

- Play in any club or tournament game
- Earn up to 20 masterpoints®
- Read online editions of the Bridge Bulletin
- Receive ACBL Live and Live for Clubs results emails

Guest Memberships are completely **free**, last for **120 days** and are only available to **brand-new members** (no previous or current members). Masterpoints will be filed as unrecorded and become permanent upon joining with a full membership.

On Friday, we'll send you a shareable, eye-catching e-newsletter showcasing Guest Memberships that you can send to your contacts. It will include a direct sign-up link.

Don't want to wait? Send the sign-up link today! Simply copy and paste the link below into an email and send to your contacts:

www.acbl.org/guest-join

When guest members sign up, they will create a username and password, fill out contact information and few basic details and then receive a confirmation email the **next business day**.

The email will have a link to their very own guest member profile page. Here

they'll find their member number, masterpoint count (shown the day after playing) and links to key benefits and resources.

Help us grow our community of bridge lovers and spread the word about ACBL Guest Memberships!

Thank you,
Greg Coles, Director of Operations
Mary Stratton, Director of Marketing

CC: ACBL Board of Directors, district presidents, unit presidents
